Stoute jongen - Isabella Anthony

age: 53

residence: Columbia, SC

education: Maters in ancient history

occupation: Professor at USC

marital status: Newly divorced

I'm aging like fine wine

Stoute teaches ancient history at USC during the day. At night Stoute likes to go to bars to meet potential partners. Stoute lives in an apartment complex that does not have an elevator. One night Stoute fell from the stairs and broke his foot.

Criteria For Success:

Stoute loves teaching and he teaches in different buildings. Therefore accessibility around campus is important to him.

Needs

- An app to guide him around campus. This app will need to inform him of the accessible entry points for someone in a wheelchair around campus
- An app to calculate how long it will take from one building to another

Wants

- An user friendly app that is straight forward and not too complex

Values

- Drinking wine
- Honesty
- Compassion
- History
- Being on time

Fears

- That he will fall again on the stairs
- That he is not going to remarry, because his foot is broken and it makes him look weak
- That he reaches late to his classes

MOBILITY LABS

William Goshire

age: 82
residence: Retirement Home
education: High School Diploma
occupation: Retired Construction Worker
marital status: Widowed
"If it ain't fixed, don't break it."

William spends his days sitting in the retirement home watching TV and talking to the other retirees. His grandkids have recently enrolled in college and he is visiting and wants them to take him to see the campus. He is in a wheelchair after a tragic construction accident that paralyzed him from the waist down.

- His family not visiting

Walter Jr. - Nolan Lamb

age: 17
residence: 308 Negra Arroyo Lane, Alberquerque, New Mexico
education: High School
occupation: Car Wash Cashier
marital status: Single

"Do I look like a Skater?"

Walter Jr. , also known as Flynn, starts his day with his favorite meal breakfast, and then continues his day as a normal high school student. He suffers from cerebral palsy which forces him to be bound to crutches and impairs some of his speech but he doesn't let that stop him. He works around his disability to ensure he does his very best.
